MONTY 425 TIRE CHANGER

The 425 tire changer is designed to handle all brands of motorcycle wheels including the Harley Davidson® belt drive, go-carts and ATV's. The specially designed clamping jaws have three different rim position clamping from 5" to 21" diameter wheels. Dual clamping cylinders assure proper clamping pressure to all four jaws. Adjustable tower height to handle wide ATV wheels and narrow motorcycle wheels. Clamping jaws, tool head and tire tool are equipped with protective covers to prevent damaging expensive rims.
