**11 GALLON FUEL PAL**

The Fuel Pal holds up to 11 gallons of fuel, handles easily and rolls to the dispensing site. Addresses the problem of having to store numerous cans or tanks and eliminates the need to make frequent trips to the gas station to refill small containers. Special features include: 11 gallon capacity, 6' long UL listed hose approved for fuel use, brass shut-off valve, polypropylene wheels which roll easily, molded in handle. Optional manual pump available.
