## GASKETS-ON-DEMAND

The Gasket Pro is a state-of-the-art gasket cutter that will compliment any service or parts department. The C.A.D.-C.A.M. computer program can cut paper or rubber gaskets with a simple click of the computer mouse. (Does not cut metal gaskets.) With a library of gaskets numbering in the thousands, you can virtually eliminate costly inventory, and free up valuable warehouse space. The Gasket Pro's library includes applications for motorcycles, ATVs, watercraft, and snowmobiles. With the same gasket material, used by the O.E. manufacturers (available in three different thicknesses), you'll get the right gasket, right when you need it!

The Gaskets-on-Demand package B includes these features:

- Gasket Pro (cutting machine)
- Custom metal freestanding base unit.
- Windows® 95/98 base proprietary software. (CD-ROM)
- Library of power sports gaskets, which includes outdated hard to find gaskets. (CD-ROM)

Call your K&L sales representative for more details.

## OIL FILLER CANS

These are tough, durable plastic cans. *Made in Japan.*

- 35-3919** 1 liter can
- 35-3920** 2 liter can
- 35-3921** 5 liter can
- 35-3968** Replacement Oil Filler Can Spout only, no cap.  
Fits the above Oil Filler Cans.

35-3968

## RATIO-RITE MEASURING CUP

Measures in ounces and cc's. Use for filling forks, shocks, engine oil, etc. Also has mixing ratio scale for accurate oil/gas premix. Sold each. *Note:* Lid is an add-on, not included with Ratio Rite.

- 39-4061** Ratio Rite Measuring Cup
- 39-4062** Lid for Ratio Rite

## GRADUATED CYLINDERS

Plastic beakers, graduated in cc's. *Made in Japan.* Two sizes:

- 35-3917** 500cc
- 35-3918** 250cc

## UNIVERSAL BEARING PACKER

A fast simple way of applying grease to bearings. Just place bearing between plastic cones, tighten and apply grease through fitting on end of threaded shaft. Forces out old grease and evenly injects fresh grease.

- 35-9806** Universal Bearing Packer

## MANUAL BEARING PACKER

Packs 50 to 60 bearings without refilling. Use on all cage-type roller or ball bearings up to 2" bore. No air line or grease gun required. Use to flush out old grease with new.

- 35-9816** Manual Bearing Packer
